Safety First

FIRE AND EMERGENCY DRILLS

There will be one scheduled fire drill held during the first two weeks of school and at least one each month thereafter for the remainder of the school year. Each of your classroom teachers will inform you as to which exit you will take in leaving the room to proceed from the building. (The exit will vary depending upon which room you are in at the time the alarm is sounded.) Whenever the alarm is sounded you are to proceed, under the direction of your teacher, in an orderly fashion, as quickly as possible, in a single file taking the proper exit out of the building. Once outside of the building, you are to line up in a single line at which time the teacher in charge will take the class roll.

Should an alarm sound during class change, the students should use the nearest exit to leave the building. Upon arriving outside, the student should return to the meeting location for their previous class period and follow the procedures listed.

These drills are extremely important and should be taken seriously. Any student not fully cooperating in making these drills orderly is endangering the lives of other people in the building. The fire doors will close automatically and are to remain closed until the drill is completed.

EMERGENCY CODE PROCEDURES

All schools today are required to have an emergency plan in addition to fire procedures to deal with safety concerns such as medical emergencies, intruder threat, natural disasters, etc. Throughout the school year the administration in partnership with county officials will conduct several drills designed to protect your child in the event of a real emergency. While we hope these drills will actually never be enacted, we believe a proactive approach will help prepare all of us in that event.

SOLICITATION

There will be no selling or trading of any personal items of any kind during school hours (Example: gum, candy, CDs, electronic games, etc.) Items will be confiscated and disciplinary action taken.

Students may use their lockers at the start of the day, during their lunch period, and at the end of the day.

Students are directed to stay to the right of the stairways and hallways to ensure safe social distancing measures and to allow for quick and effective flow of movement.

CHANGING OF CLASSES

Students have four minutes between classes. This is ample time to reach anywhere in the building with a little time to spare. There are no excused admissions to class for being tardy. Students are expected to conduct themselves as ladies and gentlemen at all times. Loud talking, running, slamming locker doors, etc., is not acceptable. **The use of cell phones during class change is strictly prohibited.**

HFMS closes at 2:10 each day. Students may not stay afterschool for any events unless supervised by a group sponsor. **No student is permitted to stay afterschool unless with a teacher or activity sponsor.**

ACADEMIC DISHONESTY

This includes any assignment, quiz, test, project, etc. Academic Dishonesty also applies to accelerated reader. Students are not permitted to take A.R. tests on books they have not read, books they have read in previous grades, books they watched the movie version of, etc.

ACCELERATED READER

Accelerated Reader is an integral part of the reading program at Harpers Ferry. Every student will be trained on using this powerful program, and will be given an initial test to determine their reading level. Students will participate in the A.R. program during reading class, as well as an assigned time during 5th period where they will concentrate solely on reading their A.R. book. We have found this program to have a dramatic effect on our student's reading progress, and therefore take this program very seriously. Students must have an A.R. book with them during all instructional time in all classes. Any form of academic dishonesty related to the AR program will result in school discipline. We encourage all parents to support their child's reading success by encouraging full participation in this program.

CLEANLINESS OF SCHOOL

The cleanliness of the school building and grounds is the responsibility of everyone. The school and equipment should be treated as you would your home and its furniture. Pupils who are guilty of doing any damage to school property in any way will be required to pay all damages.

Under no circumstances will students be released to anyone other than parents/guardians unless written permission is granted. Students who become ill during the school day shall report to the office. A parent or guardian will be notified if conditions warrant. A student will only be released after a parent or guardian has arrived at the school location. A valid operator's license/proof of identification may be required to sign out a student. Parents/guardians picking up students are asked to remain outside. Call 304-535-6357 to inform the main office staff of your arrival and please have your ID available.

Our phone lines are available for student and parent use at any time for almost any reason. Violation of the cell phone policy will result in disciplinary consequences. **This includes sending or receiving texts or messages of any kind.**

Students **may not** activate (power on) cell phones, pagers or other electronic communication devices on school property during the instructional day. Headphones, earbuds, Bluetooth devices are **NOT PERMITTED** to be worn during the instructional day. This includes hallways and class changes. Concurrent offenses will result in the use of "cell hotel" in which the technology will be sent to office. Parent contact will be made along with discipline for the habitual violation of school rules.

Guidelines for Electronic Devices in the Schools of Jefferson County

Scope

Electronic devices have become a common means of communication and information access in today's society. However, these devices have the potential of disrupting the orderly operation of the school. Distracting behavior that creates an atmosphere that is not conducive to learning will not be tolerated.

Harpers Ferry Middle School has therefore created this policy to govern the possession and use of electronic devices on school premises, during instructional school hours, and on school transportation.

Definition

For purposes of this policy **“Electronic Device”** means a **privately owned** wireless and/or portable electronic handheld piece of equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies (cell phones, smart phones, walkie-talkies, pagers, etc.), portable internet devices (mobile managers, mobile messengers, smart phones, etc.), Personal Digital Assistants (PDAs), (Palm organizers, pocket PCs, etc.), and all other convergent communication technologies that do any number of the previously mentioned functions. “Electronic Device” also includes any current or emerging wireless handheld technologies or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc. (video games, CD players, compact DVD players, MP3 players, iPods/iPads®, Walkman™ devices, etc.).

Possession and Use of Electronic Devices

Students may possess and use electronic devices at school subject to the following:

- Students may carry or possess electronic devices at school.
- Use of electronic devices during the school day, including pass-time between classes and lunch-time, is prohibited. They must be completely powered down, turned off, and kept out of sight.
- Students may use electronic devices before the tardy bell to school and after the final bell of the school day outside of the school buildings, on school sidewalks, parking lots, and fields so long as they do not create a distraction or disruption.
- At no time may electronic devices be used in rest rooms or locker rooms.
- Use of electronic devices on school buses is not allowed. Distracting behavior that creates an unsafe environment will not be tolerated.
- Use of electronic communication devices is not allowed on any portion of the school campus at any time unless an emergency situation as defined by school staff exists.
- If cell phones are brought to school, they are to be used only before and after school. During school cell phones need to be turned off and kept out of sight.

Prohibitions

Electronic devices shall not be used in a way that threatens, humiliates, harasses, or intimidates school-related individuals, including students, employees, and visitors, or violates local, state, or federal law.

VISITORS

All visitors must report to the office immediately upon entering the school building. Guests must “buzz” in to the office using the intercom system outside of the office door. Our secretary will unlock the door after you verify your reason for business at our school and you will be allowed in. You will need to have your photo identification prepared to be scanned through the Raptor System and you will be given a photo identification sticker with your name and photograph. Parents are welcome to visit the school and observe classes. Please make arrangements in advance. The visiting of students by anyone else must be approved at the main office.

****Please note:** Visiting HFMS is currently suspended due to COVID-19. This is subject to change.

HARASSMENT/ CYBER BULLYING

The Harpers Ferry Middle School learning community does not support or tolerate any form of harassment and/or cyber bullying. **It is imperative that we know in a timely manner when an issue occurs. Students need to come immediately to an adult to report any issues of harassment or bullying.** We have found this to be one of the main problems that we face as educators which is often not taken seriously enough. Harassment of any kind will be dealt with immediately and with swift judgment. Please take time to review our policy with your child and ensure that they understand what harassment is and how serious of an issue it is. In reference to cyber bullying we feel there is a simple rule of thumb; “If you wouldn’t say it to someone’s face, then it’s probably better left unsaid.”

BUS NOTES

The Jefferson County Schools Transportation Department requires that any student wishing to ride a school bus other than their assigned bus submit a parent request to the Bus Garage at 304 725-7664 or fax a written note to 304 725-5042. Requests should be submitted no later than 9:00 am on the day of the request. Failure to do so may result in the denial of any such request. Approval of any request is strictly at the discretion of the transportation officials at the Bus Garage.

PARENT LOOP PROCEDURES

The bus loop in the front entrance of HFMS is closed from 6:30am to 8:30am daily for parent traffic.

BUS TRAFFIC only from 6:30am to 8:30am.

We have late buses or student trips that are impeded by parents being in the bus loop. For student safety, please use the student drop off loop only.

The bus loop in the front entrance of HFMS is closed from 1:30pm to 3:30pm daily for parent traffic.

BUS TRAFFIC only from 12:30pm to 2:30pm.

Parents are to use the parent car loop only for student drop off and pick up.

DO NOT USE THE BUS LOOP IN THE FRONT OF THE BUILDING.

BICYCLE RIDERS

Any student who rides a bicycle to school is required to wear protective headgear and reflective outerwear.

Failure to do so will result in loss of privileges.

GUM

While there is no county or school wide policy on chewing gum, we feel there is no educational value of this practice at Harpers Ferry Middle School. Therefore, we ask that parents encourage their student(s) to refrain from bringing any form of chewing gum to school. Chewing gum is strictly prohibited in the auditorium, cafeteria, gymnasium, media center and computer labs at Harpers Ferry Middle School. Violation of the no gum policy in the above listed areas will result in a disciplinary consequence.

WATER BOTTLES

HFMS supports the health and well-being of our students. Students are permitted to bring clear water bottles only to school. Coffee, sodas, and energy drinks are NOT PERMITTED in the school and are not allowed in the gymnasium in the mornings. Any other drink containers will be emptied and placed in the student locker until the end of the day.

*It is highly encouraged that each student bring a clear water bottle labeled with their name each day. Water Fountains will be covered and not accessible due to COVID-19. This is subject to change.

TARDY POLICY

Prompt attendance to classes is of paramount importance to the faculty and administration at Harpers Ferry Middle School. Students are required to arrive in class properly prepared at the beginning of each class by the time the tardy bell rings. Students who fail to do this will be counted as tardy by their teacher. Students are allowed to visit their locker or go to the restroom at their personal discretion between classes, but are encouraged to use their time wisely. Students are allotted a time of four minutes in between each class period. After receiving four tardies to any one class period, students will be assigned lunch detention. After receiving a fifth tardy and each thereafter, students will be referred to the office. Tardies are counted for each period of the instructional day. **Students who arrive late to school will be counted as tardy to first period.**

Any student arriving to school after 7:52am must be accompanied by a parent to sign-in to school. Students arriving after 7:52am are considered tardy to school.

ATTENDANCE POLICY

Students who are absent are required to return to school with an excuse note. Excuse notes must be turned in promptly to Mrs. Maranda upon returning to and entering the school building.

- According to WV Code §18-8-1, compulsory school attendance laws apply until a student's seventeenth birthday as long as the student is enrolled in school.
- When a student has been absent, the parent or guardian is required to provide written communication upon the student's return to school verifying the reason for the absence. Phone calls are not an acceptable means of communication.
- Being **tardy** to school is defined as any student arriving at school after the designated time for school to begin. Continued tardiness to school that is not due to a medical reason verified by a physician will result in consequences according to the rules and procedures of each school. **Students arriving after 7:52 MUST be signed into the building by a guardian or responsible adult. Students cannot sign themselves into school when tardy.**
- All medical and dental appointments which cause a student to be absent or tardy must be verified by a dentist/physician's written document in order for the absence or tardy to be considered as excused. Any student with a chronic physical or mental condition which requires a student to be absent for multiple days must provide a physician's document annually to the school which explains the condition and its impact on attendance. This document will be reviewed by school officials.
- Absences that are considered excused absences from school as long as written documentation has been provided:
 - *Illness verified by parent not to exceed 5 days per semester*
 - *Medical/dental appointments verified with a written document by the physician/dentist*
 - *Illness/injury verified in writing by a physician*

Students who lose or damage a book while it is checked out to them will be expected to pay for it. This includes Accelerated Reading and any other books from the library. A free assignment book is given to each student each year. Replacement assignments books cost \$5.00. Assignment books are required to be used by each student.

HONORS SOCIALS STUDIES & SCIENCE CLASSES

All students in grades 7 and 8 are enrolled in Science and Social Studies classes. To receive Honors credit in grade 7 and 8 Social Studies, students must meet requirements outlined by the classroom teacher and county curriculum. To receive honors credit in 7th grade science and social studies, students must adhere to teacher requirements and county curriculum. Teachers determine the completion of the honors curriculum.

HOMEWORK POLICY

Homework is a vehicle to establish student responsibility as well as a brief practice to demonstrate learned knowledge acquired from daily objectives.

Homework that reinforces, enriches, and enhances instruction encourages families to become more involved with education. It also causes students to work independently and to become more responsible for their own achievements.

Homework is review and practice of previous lessons. It should not be busy work, punishment, useless repetition or useless copying from books. Practice assignments should be kept to a minimum number of examples or problems of the same type because, without immediate feedback, useless time could be spent doing the practice assignment incorrectly. All completed homework should be checked and reviewed with the students.

Unfinished class work, review for tests, and special projects such as fairs are examples of homework.

Harpers Ferry Middle School has developed a school-wide plan. The principal shall work with his/her teachers to help development procedures to assure coordination of assignments between teachers. Each teacher shall review his/her homework format and the procedure for crediting a homework assignment. School plans shall take into consideration that certain classes will require additional study time (ex. honors classes) and may create an exception for them. Students in honors classes shall be expected to assume the responsibility of additional assignments.

In the individual school plan, homework assignments should not place unreasonable demands on the student's out-of-class time. It is suggested that the daily homework assignment at Harpers Ferry Middle School equal ten minutes times the grade level. This would be 60-80 minutes per evening. Keep in mind the individual student's capabilities. The principal must approve any homework assignment over 1 hour in length in advance.

STUDENT SERVICES ACTIVITIES

The building will be opened at 7:35 AM and closed at 2:10 PM. If students or any school organization desires to use the building after school, a member of the faculty must accompany them. All evening activities sponsored by a club or organization must be approved by the club sponsor and by the Principal. A form for these activities may be obtained from the club sponsor and must be made out in duplicate so that the club sponsor may have a copy as well as the office. All extra-curricular activities must be scheduled THREE days in advance. Appropriate dress must be worn at all events sponsored by the school. Please adhere to the dress code in this handbook.

SCHOOL NURSE

A nurse will be on the premises of Harpers Ferry Middle School according to a specified schedule. Should you have any concerns about your child please feel free to contact the nurse at those times.

ADMINISTERING MEDICINES TO STUDENTS

Giving of medicine to children during school hours shall be discouraged and restricted to necessary medication that cannot be given on an alternative schedule. When medicine is to be administered by school officials, the medicine must be by a prescription from a physician accompanied by a label affixed by a pharmacy, and have a note signed by the parent/guardian authorizing the dispensing. When non-prescription medication is to be administered the medicine should be labeled and be accompanied by a signed letter from the parent naming the medication and requesting that the student receive the medication at a specified time at school.

The administering of the medicine to a pupil, when all the above conditions have been met, shall be limited to the school nurse, the principal or other designated person(s). All medication shall be kept in a designated location in the school or the principal's office. A record (medication log) of administering the medication will be kept on each student. Upon completion of the medication, the log will be placed in the student's cumulative folder.

INSURANCE

All students are urged to purchase Accident Insurance. It is mandatory that the following groups purchase Accident Insurance unless their parents have them insured at home (in such case, it is necessary for the parents to sign a waiver to that effect): Cross Country, Middle School Football, Cheerleaders, Basketball, Track, and Volleyball. No student will be able to participate in any of the groups unless they are insured. Claim forms are available in the office for students who have suffered an injury. The insurance company has a time limit on claims. It is the student's responsibility and not the school's to see that forms are sent out signed by the proper authority.

What Happens when a Positive COVID-19 Test is Identified?

If a staff member or student tests positive test for COVID-19, the Jefferson County Health Department (JCHD) is the agency responsible for the management of contact tracing protocol. Below is the guidance document from the JCHD regarding the required contact tracing protocol:

COVID-19 Suspected/Positive - Student Procedures

- In the event a student presents with COVID-19 symptoms, immediately contact the parent/caregiver, isolate the student in a designated area, ensure proper face covering and practice social distancing until a parent/guardian arrives. The student will be required to be tested for COVID-19 as soon as possible.
- The JCHD requires that the teacher and all students remaining in the "core group" of the suspect case must be sent home from school and remain isolated until the COVID-19 results are obtained from the suspect case.
- Once we receive confirmation from the health department that the suspect case is COVID-19 negative, the teacher and the students in the "core group" may return to school the next day, provided they are asymptomatic. The negative case must remain home until they are fever free without the use of fever-reducing medications for 72 hours.
- If the suspect case is determined to be COVID-19 positive, the JCHD will require the individual, teacher and students in that the "core group" to quarantine at home for 14 days from the day they were released from school. The JCHD requires that anyone testing positive must be fever free, without the use of fever-reducing medications, and exhibit symptom improvement for 72 hours.
- The parent/guardian of the COVID-19 positive student will inform the school the child attends of any positive test or symptoms.
- The school will notify the Jefferson County Health Department.
- The JCHD will begin contact tracing and contact any individuals that have been in direct contact with the COVID-19 positive student.
